

CULINARY WEDDING FAVOURS

*Isn't it the seemingly
small things that allow
you to share your
greatest joy & love?*

We assist you in presenting your guests and loved ones with a token of your appreciation and care in the form of the most decadent, culinary and pleasingly South African wedding favours.

Molto Culinary & Gifts offers a distinctly local flair, whether it be for a pearly classic affair, or a jubilant colourful soir  e or anything in between. We love detail and it would be a privilege to play a small part on your special day.
